

## Multi Position Stirrer

PHS-25 shown smaller than actual size.  
Beakers not included.

### PHS-25

- Accommodate up to Nine 250 ml Beakers or Flasks
- Powerful Brushless Motor
- Stainless Steel Top

The PHS-25 multi position stirrer is a perfect solution for labs who need multiple stirring positions. The PHS-25 will accommodate up to nine 250 ml beakers or flasks. The bright stainless steel top has nine circular etched markings to make placement easy.

A powerful brushless motor will give years of trouble free use, all at a very economical price.
